

### Conservative "To Do" List

Renew NRA subscription to protect the rights of citizens to carry machine guns wherever they want

Attend rally to "Make America Great Again" by returning to a country where white males make all decisions

Fill Hummer with gas

Get all "news" you hear from Fox and Rush

Make everyone Pray to God

Demand patriotism by standing for National Anthem (while having confederate flag on truck)

Hunt for deer, quail and queers

Go to a NASCAR event

Build a wall

Curtail personal injury lawsuits which overcompensates those who exaggerate injuries and unfairly punishes corporations

### Liberal "To Do" List

Renew National Geographic subscription to protect the treatment of transgender seals

Make sure that everyone but white males get into best schools and get best jobs given long track record of favoritism

Charge electric car

Get all "news" you hear from MSNBC

Make everyone Meditate and do Yoga

Take a knee during National Anthem to protest police brutality and inequalities in legal system and everything Trump does

Build a sustainable garden

Go to a Starbucks

Build better public schools

Encourage the filing of lawsuits to ensure that injured people are adequately compensated and that "evil" corporations act appropriately

### Conservative “To Do” List

Stop needlessly regulating companies; it drives up costs to consumers, reduces profits and destroys jobs

Ignore climate change - it's a hoax and “fake news” (but even if true, who cares about icebergs and polar bears?)

Pontificate about sexual immorality (while engaging in lots of extramarital affairs)

Remove all immigrants who have not been here as long as me or MY family

Get government out of our lives and cut taxes significantly, but don't touch MY social security or Medicare or cut military spending

Lock HER up!

### Liberal “To Do” List

Regulate the shit out of companies who cannot be trusted to do what is right and to comply with environmental laws

We must do everything we can right now to address climate change, which is real science, and jeopardizes human existence

Pontificate about sexual freedom (while engaging in lots of extramarital affairs)

Embrace diversity and allow EVERYONE who wants to move to the U.S. to do so

Increase taxes only on the “wealthy”- (defined as anyone making more than ME) to provide for the welfare of others and all of our needs

Lock HIM up!
